## COMMUNITY ANNOUNCEMENTS

1. **MPD 2nd District Crime and Community Awareness, Captain Sharde Harris, [sharde.harris@dc.gov](mailto:sharde.harris@dc.gov), 202.821.8414 or Lieutenant Sylvester Garvin, [Sylvester.garvin@dc.gov](mailto:Sylvester.garvin@dc.gov), 202.774.6866**

Sergeant Robinson reported that he was with Sergeant Sanders on behalf of Lieutenant Garvin. He reported that in the last 30 days, there were 0 homicides, one assault with a deadly weapon at 931 H Street, and three robberies at 1215 L St NW, 925 G St NW, and 1250 I St. NW. There was one burglary at 1399 New York Avenue. There were eight motor vehicle thefts. There were

19 thefts from automobiles. There were 45 property thefts. Six out of eight motor vehicle thefts were recovered within a 3-to-10-day period. It was suggested to buy Apple Air Tags. It was reported that certain districts were handing them out, but the second district was not yet. He stated that the air tags were approximately \$30. He reported that the station was giving out steering wheel locks for Kia or Hyundai. It was suggested to keep items out of sight or leave them at home rather than within vehicles. It was reported that a retail theft operation had begun, and targeted stores included Zara, Nordstrom, and Sephora. There were six arrests so far.

Commissioner Roe asked if the consumer had to activate the air tag. It was reported that this was the case. The operator has to place the air tag inside the vehicle and download the app.

A resident discussed two robberies in the 900 block. He stated that the robbery on H Street was particularly troubling. Sergeant Robinson reported that it happened inside the garage area, where an individual pointed a handgun at the parking attendant. The resident raised concerns about thefts from his garage. Sergeant Robinson acknowledged that it was a pattern, and he would check with security guards and police at City Center to see what else could be done. The resident asked about the armed robbery on G Street. Sergeant Robinson reported that someone was robbed at gunpoint; an individual exited a vehicle and instructed the victim to drop their belongings. The resident asked if the robberies were becoming more common. It was reported that it was becoming more common.

**2. MPD 1st District Crime and Community Awareness, Captain Sherrelle Williams, [sherrelle.williams@dc.gov](mailto:sherrelle.williams@dc.gov), 202-729-2179 or Lieutenant Jeremy Kniseley, [jeremy.kniseley@dc.gov](mailto:jeremy.kniseley@dc.gov), 202.839.1357.**

Lieutenant Kniseley reported that violent crime was down 25%. There were zero AWDs and three robberies in the past 30 days. There were three robberies in the previous month as well. There was an uptick in theft from autos. Property crime was up by 29%. There was an increase in events around Capital One Arena. He stated that none of the robberies affected unknown citizens. Lieutenant Kniseley reported that one of the robberies at Walgreens was believed to have been orchestrated by an employee. Another robbery involved the casing of an employee after they left their workplace. The last robbery appeared to be a dispute between known parties, and it occurred in the 400 block of H Street.

Commissioner Roe asked if there was any advice on how to protect themselves from thefts from vehicles. Lieutenant Kniseley reported that he believed most of the victims were those who did not live or work in the area and were too comfortable leaving items in the car. He discussed that there was not a lot of security in some garages and emphasized not leaving items in the car.

Commissioner Lee asked about the shooting on D Street involving the carjacking. Lieutenant Kniseley reported that there was not a lot of public information at the time due to it being a homicide investigation. He stated that there was an off-duty court security officer in his car, and a couple of juveniles approached him with the impression that they had a weapon. The officer discharged his firearm, and one juvenile succumbed to his injuries. The other juvenile was

turned in to the police by his mother. Lieutenant Kniseley reported that the case was closed, with the use of force being investigated. The other juvenile who was turned in was being adjudicated.

A resident asked about the Walgreens robbery and asked who was robbed. Lieutenant Kniseley reported that the robbery happened during the drop of the money to the master safe, and they got \$7,000 in cash. Other factors led them to believe it was orchestrated by an employee, such as the use of a freight elevator with an access code and employees not cooperating with police. Lieutenant Kniseley emphasized that this was an internal problem with Walgreens and should not concern residents. The resident asked about incidents around the Capital One Arena. Lieutenant Kniseley reported that there was a crime trend when there were events at the arena. In the past month, there had been an increase in music events and there were more contingency plans put in place. He discussed that there were staffing issues and there were not as many officers in Chinatown for a recent event. There were about 20 cars broken into in the course of that one night.
